Writ Petitions coming on for Preliminary Hearing in 'B' Group this day, the court made the following :

O R D E R

Since common questions of fact and law are involved in all these writ petitions they are clubbed, heard and disposed off by this common order.

Petitioner is the owner of premises bearing No.116, 5th Cross, New Kalasipalyam Extn., B'lore. According to him the respondent Board had provided

five electrical installations bearing RR
No.WILG 18382 to WILG 18385 and W-5 41982.

The Asst. Executive Engineer by his
notice dated.16-12-1979 had directed the
petitioner to surrender the aforesaid elect-
rical installations on the ground that petr.
had demolished the old building and const-
ructed the new building. After issuance of
the notice the respondent authority had also
disconnected the supply of power to the petr.,
installations. Aggrieved by this action
petitioner had approached this Court. This
Court by its order dt.3-4-1998 had directed
the respondent authority to restore supply of
power to the petitioner's installations subject
to the petitioners regularly paying the energy
charges for the electricity consumed by them.

Pursuant to the interim orders granted
by this Court the respondent authorities have
restored supply of power to the petitioner's
installations.

Petitioners after the receipt of the notice dated 16-12-1997 have filed their objections by their letter dated 23-12-1997 and in that they resist the notice issued by the respondents. It is now for the Assistant Executive Engineer to pass appropriate orders on the objections so filed by the petitioners before taking any further action.

In that view of the matter, these writ petitions are disposed off and a direction issued to the respondent authorities to consider the objections filed by the petitioners by their letter dated 23-12-1997 to the notice issued by them in accordance with law and in accordance with the regulations of the board as expeditiously as possible at any rate within three months from the date of receipt of a copy of this Court's order.

With these observations writ petition is disposed off. Ordered accordingly.
